This correspondence is to provide information regarding school day closures related to weather. HLA is equipped to provide education to HLA students through a virtual platform; however, we feel in-person learning is most optimal for our learning community.

As reflected on the 2023-2024 school year calendar, HLA will extend the school calendar, as needed to provide in-person make-up days for weather related closures.

## **Schedule for Weather Related School Day Closures** **2-15-24**
