This correspondence is to provide information regarding school day closures related to weather. HLA is equipped and prepared to provide education to HLA students through a virtual platform; however, we feel in-person learning is most optimal for our learning community.

As reflected on the 2024-2025 school year calendar, HLA will extend the school calendar, as needed to provide in-person make-up days for weather related closures.

Schedule for Weather Related School Day Closures

Date of Closure	Scheduled Make-Up Day (In-Person)
1-6-25	2-17-25
1-17-25 (Early Dismissal)	4-14-25 (Early Dismissal)

HLA will continue to communicate any updates to the make-up schedule as needed. If you have any questions regarding this information, please contact Crystal Smulley at csmulley@hlaschools.com.

Thank you for your continued patience and support.
